

FCA COACHES

"the heart and soul in sports"

June 2017

Dear Friends,

"Pursue" is my theme verse for this year. *I pursue as my goal the prize promised by God's heavenly call in Christ Jesus. Philippians 3:14.* I praise God for providing the blessings over the last 9-1/2 years with FCA that have allowed us to reach coaches and athletes with the message of Christ Jesus around the world. We praise God for volunteers like yourself who make ministry possible.

Schools out, It's time for camps! Camps are a time of "inspiration and perspiration" for athletes and coaches who want to reach their potential through comprehensive athletic, spiritual and leadership training.. We have promoted 15 various camps throughout our region and several in Brazil for this summer.

It is unbelievable to have the privilege to be in the schools and sports arena sharing the gospel of Jesus Christ. Our transfer to serve with FCA Coastal Plains area has been a blessing from God. It would not have been possible with you, thank you for your prayers, service and financial support.

Quotes

FCA has impacted our community in powerful ways this year. By the weekly team baseball huddles with the players and on a personal impact with both of my sons and especially through trials I've witnessed how God works through this program. We are going through 3D coaches program with our community coaches and its making a definite impact with them.
Tony Ross, Scoutz Coach

"What is your one word definition of ministry? Transformation Why did you choose this word? Because God changes lives through Christ, using sport.. I think that FCA can help a lot in Brazil".
Paulo Wescher, Brazil Pastor, FCA Leader

We are praising God to continue to send more people to pray, serve, give and go in fulfilling our mission: **"To see the world impacted for Jesus Christ through the influence of coaches and athletes."** Will you join us again this year?

As a missionary I raise 100% of my support. We are raising \$75,000 for camp scholarships, International trips, resources, and my personal budget. Will you help us to be fully funded in order to share the love of Christ Jesus. Please join me as the Lord leads you to be part of my Home Team as a monthly donor, give a one time donation or commit to pray that God will send many workers to reap the harvest. Coaches Corner: Billy Graham tells us “One coach will impact more in one year than most will in a lifetime.” As a Christian coach and disciple of Christ, we must be willing to take up our cross daily and follow Christ as commanded in Luke 9:23. I found that the book Follow Me by David Platt had great insight on being a disciple. It would be a great read for summer months. As a disciple we serve and teach and both of those opportunities are available through FCA summer camps and mission trips. We need leaders and volunteers. FCA looks for ways to encourage, empower and equip coaches and athletes throughout the year in season and out to live their faith in Christ Jesus. Camps offer a three or four-day experience for inspiration and perspiration while creating an opportunity to impact lives for all of eternity. We also strategically develop leaders through huddles on campus and team sport huddles. To join us contact me at tjoyner@fca.org or www.fcacamps.org or www.coastalplainsfca.org

FCA Theme 2017-18:

Above all, you must live as citizens of heaven, conducting yourselves in a manner worthy of the Good News about Christ. Then, whether I come and see you again or only hear about you, I will know that you are standing together with one spirit and one purpose, fighting together for the faith, which is the Good News.
Philippians 1:27
