Congratulations for taking a step of faith and deciding to go on an FCA International Trip. FCA is committed to see the WORLD impacted for Jesus Christ through the influence of coaches and athletes. By serving on this trip, you will get to be a part of what God is doing with the people of sport around the world. FCA is thankful for your willingness to go and serve the nations.

We are striving to better serve you with the resources that NSC Int'l has provided to assist you in your next trip. My role is to put these tools in your hands and one of the ways has been our monthly SCRITF conference calls and using Dropbox to share these many documents in an easy way for access and ease. Website like [FCA GoGuide](#) will be another tool.

Please plan to join our SCRITF team it stands for Southeast Coastal Region International Task Force. If you have an interest in serving on a short-term mission trip this year. Our hope is that you will take the information learned by being on monthly calls and share within your local areas.

MAIC, Multi-Area International Coordinator: New role to serve in your local areas as MAIC, if interested please contact me for more information.

Thank you again for being obedient in following the Great Commission
